BLACKLIGHT MINI GOLF IN 3D

Our Blacklight Mini Golf have proven to be a major money-maker for indoor entertainment centers for a variety of reasons. People of all ages can play Blacklight Mini Golf, and our Blacklight Mini Golf attractions incorporate so much more detail, interaction, set design, and special effects; plus the aspect of 3D really keeps the customers coming back. Additionally, Blacklight Mini Golf attractions are perfect for birthday parties, because unlike an outdoor mini golf attraction, indoor Blacklight Mini Golf can operate year round in any weather condition. We've created over 150 Blacklight Mini Golf themed attractions across the World.

Multiple Themes Available or Custom Themes

We offer a variety of different themed mini golf attractions from Pirates, Old West, Dino Adventure, Wizards and Jungle to custom themes.

Our Premium version is our standard mini golf we've sold around the WORLD which includes interior walls, raised holes, props, interactive holes and much more.

Platinum Mini Golf Attractions include additional props, built-out sets, CGI FX, more raised holes, and much more.

LASER TAG

ARENAS

Our company builds laser tag arenas and designs custom and unique themed laser tag facilities for our clients around the WORLD. No one can build or create a better themed laser tag arena than Blacklight Attractions. Some companies claim they are the best, but results speak for themselves. Blacklight Attractions does not charge by the foot like some companies. We offer the best prices and the best products based on your budget and your theme.

When it comes to Laser Tag there is ONLY ONE company who will build you the most unique, original and high tech laser tag!

We build HIGH END, HIGH TECH Laser Tag Attractions featuring:

- CUSTOM THEMES
- HIGH END DETAIL
- RAISED PLAY FIELDS
- COMPLETE THEMING FLOOR to CEILING

Each attraction we build is modular - meaning it can be moved and re-installed into another space, or reconfigured to change the attraction. We're the only company to offer a modular feature. We also offer custom CGI pre-shows, animations, and themed vesting rooms. If you want the best product, let our company create your next custom laser tag attraction.

INTERACTIVE DARK RIDES

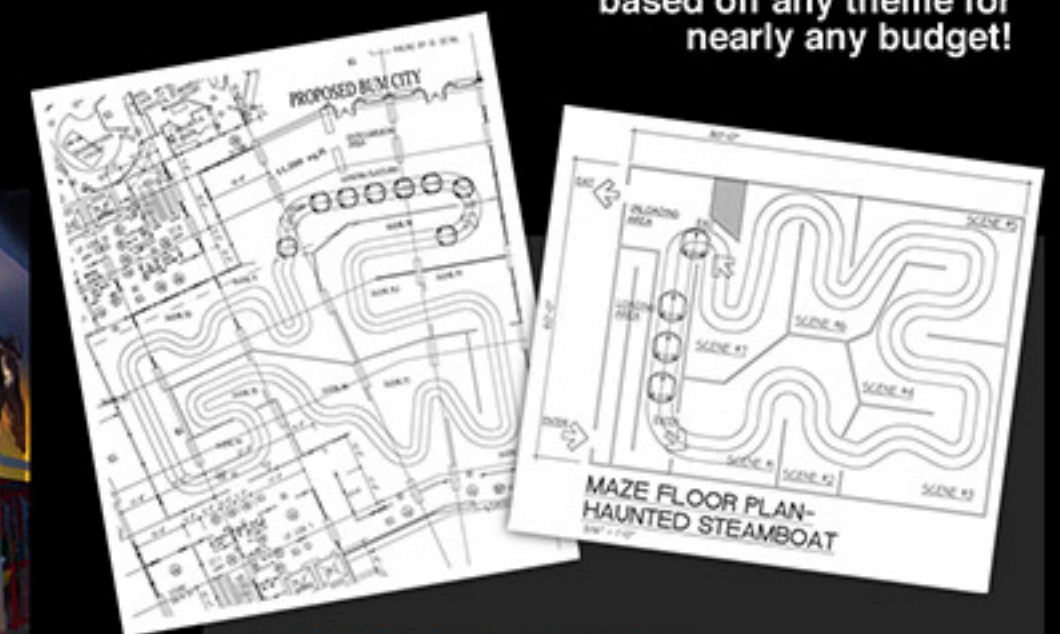

CREATORS OF DARK RIDES WORLD WIDE

Blacklight Attractions is one of the World's best designers and builders of interactive Dark Rides. Our company has built dark rides for major theme parks across the World including **Kennywood**, **Morey's Piers** and **Marvel Adventure City**, plus Dark Rides in countries like China, Chile, Canada

and more. BLA creates both blacklight and traditional style dark rides, both interactive with targeting or story line based rides.

Our company has created dark rides based on **Spider-Man**, **Garfield**, **Pirates** and **Haunted Mansions** to everything in between.

We develop storyboards, designs and layouts, and then create, ship and install your dark ride based off any theme for nearly any budget!

DARK RIDES INCLUDE:

- Complete Theming and Sets
- CGI FX
- Animations
- Props
- Design
- Installation and Shipping
- Complete Dark Ride Build Out
- Targeting
- Interactive Story Telling

Complete Dark Rides start at \$850,000
Renovation Projects start at \$250,000

BLA can create custom themed dark rides for any budget, based on any theme, anywhere in the WORLD. Our company creates amazing themed environments, multi motion animations, computer generated special fx, interactive pre-shows, major facades and much more. We are not the cookie cutter factory; all the dark rides we design, create and install are custom-made for each client to meet each individual expectation, budget and deadline. We are the best theming company in the industry. Unlike our competition, we will theme every inch, floor to ceiling of your dark ride.

CONTACT US TODAY FOR MORE DETAILS!

Call: 314-504-3970 or email: info@blacklightattractions.com

Our company can build out complete themed environments including axe throwing facilities. Most axe throwing facilities are badly themed, and in many cases unsafe. Our company can give you the edge over the competition, by offering a themed environment which would include counters, axe throwing lanes, with all the safety features to make your facility the best in the market.

Axe Throwing Includes:

- Complete Lanes 12-16 • Counter • Bar
- Exterior Themed Cages Around Lanes • Theming Props
- Themed Seating Areas for Each Lane • Shipping and Installation

Cost: 3,000 to 4,000 Sq. Ft. \$135,000

If your facility has expanded into the Holiday season consider adding a Blacklight Attraction interactive 3D Santa Castle walk thru. Each attraction comes complete with facade, wall systems, CGI FX, props, sound and amazing 3D artwork. Your guests will travel thru a magical Christmas wonderland with elves, snowman, a toy factory, Mrs. Claus' kitchen, reindeer, and finally thru a spinning candy cane tunnel which takes you to Santa Claus himself.

Holiday Attractions Include:

- Wall System • Fully Built Out Sets • All Custom Props
- Facade • Complete Sound System • Photo Opportunities
- Custom 3D Artwork • Shipping and Installation

Cost: 2,400 Sq. Ft. \$150,000 • 4,000 Sq. Ft. \$175,000

Blacklight Attractions has created World Class 3D Funhouses across the World! No one on planet earth can build a better Funhouse! We utilize skills which create magical 3D illusions, spinning tunnels, funny mirrors, moving floors, forced perspectives and so much more. Our Funhouses are completely modular meaning they can be installed, removed and reinstalled in another location with little effort.

Funhouse Attractions come complete with:

- Wall Systems • Facade • Sound • Theming • Props
- Installation and more.

Cost: 2,400 Sq. Ft. \$135,000 • 4,000 Sq. Ft. \$175,000

We have themed complete restaurants from the design to complete build out. In fact we have themed restaurants from Planet Hollywood to Pirates and even themed restaurants in New York Times Square. Furthermore we have themed water parks to amusement ride facades. Our specialty is thinking creatively, to help your business succeed. In addition to theming a space, we can also add special FX, animations or even custom CGI FX, Pre-Shows and more. Contact us today for your next theming project.

Don't let the name of our company fool you, most of the work we do is non-blacklight. What theme are you looking for?
