INTERACTIVE DARK RIDES

CREATORS OF DARK RIDES WORLD WIDE

Blacklight Attractions is one of the World's best designers and builders of interactive Dark Rides. Our company has built dark rides for major theme parks across the World including **Kennywood**, **Morey's Piers** and **Marvel Adventure City**, plus Dark Rides in countries like China, Chile, Canada

and more. BLA creates both blacklight and traditional style dark rides, both interactive with targeting or story line based rides. Our company has created dark rides based on **Spider-Man**, **Garfield**, **Pirates**, **Haunted Mansion** and more.

DARK RIDES INCLUDE:

- Complete Theming and Sets
- CGI FX
- Animations
- Props
- Design
- Installation and Shipping
- Complete Dark Ride Build Out
- Targeting
- Interactive Story Telling

Complete Dark Rides start at 1.2 million
Renovation Projects start at \$250,000

OUR PROCESS

First we'll create storyboards, drawings and blueprints before moving onto creating the dark ride attraction in our shop. After we finish building, theming, painting the sets, building animations, sculpting facades, and creating CGI FX, we'll ship the dark ride to your location for final installation. Once on site at your location, our team of carpenters, animators, and artists will work around the clock to install your dark ride!

LET US HELP YOU REALIZE AND CREATE YOUR NEXT DARK RIDE PROJECT!

BLA creates custom themed dark rides for any budget, based on any theme, anywhere in the WORLD. Our company creates amazing themed environments, multi motion animations, computer generated special fx, interactive pre-shows, major facades and much more. We are not a cookie cutter dark ride company; all the dark rides we design, create and install are custom-made for each client to meet each individual expectation, budget and deadline. Unlike our competition, we will theme every inch of your attraction, floor to ceiling, because we build fully-immersive themed environments!

We build out complete themed environments including axe throwing facilities. Most axe throwing facilities are badly themed, and in many cases unsafe. Our company can give you the edge over the competition, by offering a themed environment which would include counters, axe throwing lanes, with all the safety features to make your facility the best in the market. Our packages are complete and include throwing lanes, counters, themed bar, seating area's and more.

Axe Throwing Includes:

- Complete Lanes 10-12 • Counter • Bar
- Exterior Themed Cages Around Lanes • Theming Props
- Themed Seating Areas for Each Lane
- Shipping and Installation

Cost: 3,000 to 4,000 Sq. Ft. \$135,000

Take a magical trip to Santa's Castle and amazing your guests with a colorful 3D Holiday attraction. Each attraction comes complete with facade, wall systems, CGI FX, props, sound and amazing 3D artwork. Your guests will travel thru a magical Christmas wonderland with elves, snowman, a toy factory, Mrs. Claus' kitchen, reindeer, and finally thru a spinning candy cane tunnel which takes you to Santa Claus himself.

Holiday Attractions Include:

- Wall System • Fully Built Out Sets • All Custom Props
- Facade • Complete Sound System • Photo Opportunities
- Custom 3D Artwork • Shipping and Installation

Blacklight Attractions has created World Class 3D Funhouses across the World! We utilize skills which create magical 3D illusions, spinning tunnels, funny mirrors, moving floors, forced perspectives and so much more. Our Funhouses are completely modular meaning they can be installed, removed and reinstalled in another location with little effort.

Funhouse Attractions come complete with:

- Wall Systems • Facade • Sound • Theming • Props
- Installation and more

Cost: 2,400 Sq. Ft. \$150,000 • 4,000 Sq. Ft. \$200,000

Do you have a theming project which requires that creative touch? We have themed complete restaurants, museums, tourist attractions from the design to complete build out. Our company has worked for Planet Hollywood to restaurants in Time Square or Museums across the World. We have also done extensive theming projects for water parks and theme park rides. In addition to theming a space, we can also add special FX, animations or even custom CGI FX, Pre-Shows and more. Contact us today for your next theming project.

Don't let the name of our company fool you, most of the work we do is non-blacklight. What theme are you looking for?
