ESCAPE GAMES

CREATE A WORLD CLASS ESCAPE ROOM

Watch A Video

Escape rooms are very profitable when you operate the best themed experiences. We can provide you the best escape rooms in your market day one. Escape rooms should be multi-room escapes and should include immersive theming, complex puzzles, special fx, amazing sound and lighting.

Escape rooms should be at minimum between 400 to 600 square feet each which would offer up to a three room escape.

We offer escape rooms in two forms. The first form is complete with puzzles and the second is just the immersive room where the client provides their own puzzle systems.
